WEEK **47** OF 2023, OUR **43rd** YEAR

YOU DID IT

Thanks to You, Edith will be picking her 43rd "22 Crew" contest winner this coming December!

For those of you who may not know the story: 43 years ago, Edith was our Special Education Supervisor at

Junior High School 22. In other word's EDITH WAS THE BOSS, OUR BOSS.

As the boss she got to observe EDUCOM in action day after day. She liked what she saw as the benefit to children was quite obvious to her, and that is what it is all about.

Since she was beginning to become a friend and not just a "boss" we asked her to pick the winner in that first contest long ago. As they say the rest is history.

OK, that is the history of Edith now let's talk about YOU! This is the FIRST contest in 43 years to wrap up before Thanksgiving meaning not we, but you, set a record for which we, yes and Edith, are grateful.

The plan is to take 19 of our EDUCOM students plus chaperones and guardians to the upcoming Thanksgiving Day parade and lunch then back to HQ. Having IC Day completed truly makes life a lot less stressful:
