Guilford County ARES Information Net Script

5 Min. prior to the net – Please stand by for the Guilford County ARES net in approximately 5minutes... (And ID.)

At 9:00 p.m. This is <NAME and YOUR CALLSIGN> calling the Guilford County Amateur Radio Emergency Service information net. This net meets every Thursday night on the 145.150 MHz W4GSO repeater through the courtesy of the Greensboro Amateur Radio Association. The Guilford County ARES Net is a directed net, and all stations are welcome and encouraged to participate.

This Net meets for the purpose of operator training, handling traffic, and conducting Guilford County ARES business. You do not have to be a member of Guilford County ARES or a resident of this county to check in regardless of locations.

Would the Guilford County ARES EC or representative check in now, please call net control.

If there are any stations with NTS or Priority Traffic for the net, please call net control.

This is <YOUR CALLSIGN> as net control for the Guilford County ARES Information Net. We will now call for check-ins. Please call net control, unkey to make sure you are not doubling, and then give your call and your name.
