

Guilford County ARES has created a list of standard VHF/UHF Freqs.

The 8800 Yaesu at the Guilford County EOC Comm Center has been programed with these. We hope that all ARES members will set their radios the same, so in an emergency we will be standardized.

- 1. 145.15 - 600 tone 100 Hz. tone**
- 2. 145.25 - 600 tone 88.5 Hz. Tone**
